In the city's Gothic Quarter, walk a labyrinth of winding streets to arrive at peaceful plazas, excellent restaurants and amazing shopping in the boutiques on Calle Avinyo and the larger shops of the Calle Portal de l'Angel area, strolling the Las Ramblas area, Montserrat's views and experiencing the food and wine during our Tapas Tour.

Our hotel in Barcelona is the H10 Madison 4 star - Sept 15 -18

Located in the heart of Barcelona, just a few meters from the cathedral, the H10 Madison is a four-star superior hotel housed in a majestic, entirely restored early 20th-century building. The hotel features comfortable rooms, a full range of dining options at The Avenue Restaurant & Cocktail Bar, two meeting rooms and the amazing rooftop Terrassa del Gòtic with plunge pool and privileged views of the cathedral.

THE JOURNEY CONTINUES TO PALMA DE MALLORCA

It is also known for its great food, music, and resorts. And many visitors also come to this island for its scuba diving & snorkeling, historical sights, hiking, and shopping. It is often described as beautiful, stunning, cultural, and historic.

Sept. 19 -Full Day Tour to Valldemossa and Soller

- This is a full day tour on which you will discover some of the most beautiful spots of Mallorca, with free time in Valldemossa, Puerto Soller and Soller Old Town. Discover a different Mallorca with our official guide who will give you great information about the places you are visiting. And step back in time as you trundle through the orange groves and along the seafront on the Soller tram.

- In the first place we visit Valldemossa, considered one of the most unspoiled towns in Mallorca, where you will have about 90 minutes to explore. There are many things to do in Valldemossa:
- Walk its charming old streets; Visit the Valldemossa Cartusian Monastery; Follow the steps of the famous composer Chopin, visiting where he lived; Taste the typical "coca de patatas", a typical sweet bun from Valldemossa
- The next part of the Valldemossa and Soller tour is a picturesque coach ride to Soller, following a unique mountain route with coastal views, taking you through the beautiful villages and hamlets of Deia and Llucalcari, while your guide relates the stories of artists and famous people who have fallen in love with this part of Mallorca, such as Robert Graves, Michael Douglas and the Archduke Luis Salvador from Austria.

- In Soller you will have about 90 minutes' free time to stroll around the town square with its modernist buildings, incredible church and pretty bars and cafes. We recommend you visit the exhibition of Picasso ceramics and Miro engravings inside the old Soller train station, take a refreshing natural orange juice made from oranges from the Soller Valley, stroll through charming narrow lanes or enjoy a nice lunch at the square, while enjoying of the special charm of this unique town.
- Included in your tour of Valldemossa and Soller is a ride on Mallorca's only tram, built in 1913, which on a scenic 25-minute ride will take you to the Port of Soller. The best way to end our excursion is with a visit to Puerto de Soller. In the Port of Soller we enjoy a little time to take a walk through the fishing port watching the fishing boats, the typical "llauts" and approaching the Santa Catalina viewpoint from where you can contemplate some of the best views of this port.
- Our coach will be waiting for you in Puerto de Soller and, after your visit, we will take you back to your resort.
